The Storage User shall be entitled to request the Storage Operator for a reduction in the Security by a particular amount or for the refund of the Security in its entirety only if, following such reduction or refund of the Security, the Storage User will continue to comply with the terms and conditions of financial capacity. In such an eventuality, the Storage Operator shall refund the requested part of the Security or the Security in its entirety to the Storage User within 30 days of service of the Storage User's written request.

The Storage Operator shall pay such funds to the Storage User within 30 days of the date of service of that request. The terms and conditions under paragraph 2 of this Article shall apply mutatis mutandis to a Storage User's written request under the present paragraph.
